

Inter-cluster/sector collaboration Working Group

- **What is ICSC?** Inter-cluster/sector collaboration (ICSC) refers to the **joint actions** carried out by relevant clusters/sectors to coordinate joint responses (**at the same place, same time and for the same people**) with their partners towards a common objective. Effective collaboration from global to country level between **Nutrition, Food security, WASH and Health**.
- **Who are we?** The GNC Inter-cluster/sector collaboration Working Group (ICSC WG) was established in 2021 to provide nutrition **inputs into the guidance materials** developed for ICSC. The group consists of 15 members from GNC partners (Save the Children, Concern, FHI360, World Vision International, Aga Khan, CDC, UNICEF, UNHCR, WFP, WHO, USAID). The ICSC WG is also a **platform to share experience and challenges on ICSC**.
